To Whom It May Concern:

Subject: **COVID-19 Use of Face Masks in Delta Facilities**

This letter is to advise you that effective October 1, 2020, a policy whereby wearing face masks is required while in attendance at City of Delta (Delta) facilities.

Exceptions to this policy include:

- People with an underlying medical condition or disability that inhibits the ability to wear a mask
- Young children and those with special needs that inhibit the ability to wear a mask
- Staff who are working behind a physical barrier or within their own physically separated workspace
- First responders in an emergency situation

As an occupier of a Delta facility, this policy may impact you. Where you are a sole occupant of a facility, you must adopt policies in accordance with your industry guidelines, which may or may not require the wearing of face masks.

Where there is joint occupancy in a Delta facility, the face mask policy applies in all common areas.

Please remember physical distancing of 2.0 metres or greater should always be practiced. Should you require further information, please contact your facility manager.

Yours truly,

Ken Kuntz, Director of Parks, Recreation & Culture
